

The March 12, 2012 meeting of SMFNA was held at the York,ME fire station.

This was the 20th anniversary of the group and the York station was where it all started.

Ric had a slide show going of fire scenes, tower sites and members and other things from the past 20 years. York Chief Chris Balentine helped to fill in the early days.

Certificates of Appreciation were given to members who joined 20 years ago and several others that have made special contributions..

Ric informed the group of the changes that have been made at the towers to help with radio communications and the narrow-banding of channels as well.

Treasurer's report was given and accepted.

Secretary's report was given and accepted.

The June meeting will be held at the Barrington, NH fire station with a guest speaker from Worcester MA Fire Department, Deputy Chief John Sullivan.

There were about fifty members present.

A large anniversary cake was served.

Thanks to the York Fire Station for the use of their station for our meeting.

Respectfully submitted.

Bette-Jean Espeaignette,Secretary.
